

MIKE & CINDY PERRY

4th Quarter 2025

Happy New Year, Supporters and Prayer Warriors! When we reflect on all God has done in 2025, we are grateful for your partnership in that work. Some have given financially, some have sacrificed prayerfully, some have encouraged faithfully. However you have been involved in our calling, you are important, you are needed, and you are appreciated. Again, we cannot do what we do without you!

PRAYER NEEDS

* With the recent changes in medical care in our country, we now find ourselves without health insurance as of 01/01/26. (Our coverage went from \$164 to \$1,826 per month and an extremely high deductible.) We have checked into everything we can find and are unable to secure any health insurance. Please pray that we stay well and safe, and that options become available for us.

* In the last year, we have sadly lost several monthly supporters due to death, retirement, and other life circumstances. However, we have not picked up any new support. We stand at 75% of needed monthly support in order to meet our needs and expenses. PLEASE PRAY for new partners to join us so we can continue to do what the Lord has called us to do. He is Jehovah Jireh, and we trust Him as He works through people's hearts in this area.

EASE ON DOWN THE ROAD (MINISTRY UPDATE)

We have spent a good bit of time on the road lately. In the last 3 months of 2025, we traveled 8,789 miles for ministry (in additional to personal driving.) We are grateful for a car that has been very good for us, even though it now has almost 183,000 miles. Our ministry travels this quarter have taken us to the great states of Alabama, Georgia, South Carolina, Virginia, Pennsylvania, New York, Ohio, and Kentucky. Mike has preached, Cindy has been the guest speaker, and both have given ministry updates to several supporting churches. It was so great seeing so many brothers and sisters up and down the East coast continuing to worship and serve the Lord! They have all been an encouragement to our hearts. Though the traveling has been long and tiring, it is also filled with excitement and connection for us as we have undivided attention for each other and our collective praise for all the Lord is doing! Pray for continued safety on the roads as we travel.

OTHER MINISTRY NEWS

As we wrap up a busy mission year, we are looking forward to an even busier one in 2026. Mike will be in Uganda in January/February, Cindy is preparing to go to Portland in February/March, and both will be going to NY later this Spring. We have a Marriage Conference to lead this Fall and several speaking opportunities scheduled... but more openings are available on the calendar. ;)

Global Impact's theme for 2026 is: **His Vision. Our Mission.** What a way to
- work in missions, walk in ministry, and worship in movement. -
We cannot stress enough how we strive to seek the Lord's guidance in all that we do. When He gives us His vision, that becomes our mission. We are not supposed to decide how things should go, make a plan, and then ask God to come along and bless it. We are to serve in full extent of His instruction when He said "Take up your cross and follow ME." **His Vision. Our Mission.**

As we continue to immerse ourselves in the work of missions, please pray for traveling mercies and for hearts to be prepared as we minister to souls a. As the Apostle Paul demonstrated, we also want to run the race in faithful passion, pressing toward the goal for the prize of the upward call, and continue to help others for the gospel and for the glory of our worthy Lord!

We are grateful for those who continue to put their boots on the ground and partner with us. Recently a group of mission-minded women at a supporting church came together to gather reading glasses, sandals, and aprons for the people of Congo. We enjoyed meeting with these women and sharing the burden of the Congolese people. They immediately sprung into action. We received several stories of how items “somehow” rang up for less than the sticker price on the shelf, how checkout clerks told them of where to get more of the same product when they thought they were all out, and how more people got involved because of the excitement of a few. These items are in suitcases (also provided by the ladies) and are ready to carry with our team going to East Africa in January.

FAMILY NEWS

We are anticipating the birth of our 8th grandchild to be born in March! This little girl will be a welcome addition to our family for sure! Her parents, Scott and Trinity, are also preparing for their answer to the call of the Lord into ministry. Scott will be ordained as a preacher at the end of January. Their house is on the market for sale. (504 Slate Ct, Easley, SC) They are looking for a new home in Troy, New York, where Scott will be serving as Associate Pastor of Brunswick BC. Scott graduates from seminary in May, and they will be moving shortly after. Pray for them and all that God is leading them through. Also, pray for both of us and Trinity’s parents, Troy and Jennifer Harrison, as we all help in support of their call. (III John 4)

COMING IN 2026

WITH YOUR HELP we would like to add **PODCASTING** to our ministry in 2026. This will be an opportunity to educate and inspire our listeners through on-demand audio and video content. Stay tuned!

The Mission Center in MGM has a recording studio, but it is drywall and mud only. So, it must be finished, and the necessary equipment must be purchased. You can give towards this **\$1,000 project** by marking your gift as “**Podcast Initiative**” on the For line of your check or in the comment section when giving online at www.gimi.world.

Be sure to check out some great changes that have been made to our website, including new material and information on Global Impact Ministries. Also, keep an eye out on your email for bi-monthly ministry emphasis information.

#FocusInTheField #DidYouKnow

If you are not signed up for GIMI emails, contact us at globalimpact.gimi@gmail.com and we will get you added!

MIKE & CINDY PERRY

TOGO

It has been a warm blessing to our hearts to have Togolese Missionaries Kokou and Yvette Loko here in the States for a few months as they raise funds to expand the footprint of Grace Hospital in Togo. The work that is being done in this part of West Africa has been a needed God-send for so many in the region. In 2025 the need became apparent for a Maternity Ward. We are already seeing many babies born at the hospital, so this is a much-needed area for expansion. We are touched as new lives join the world in tiny vessels. Their parents are presented the gospel, counseled, and new converts discipled. Pray as we continue to prepare the shipment for Togo of Maternity beds, medical equipment and other items needed for the ministry in Togo. Also, pray for the Lokos in all their travels.

CHURCH PLANTING

This will be an intentional, motivated focus for Global Impact in 2026 as we make "His Vision Our Mission." With the launch of the Bible Institute in recent years, the trainings have grown, both in number and spirituality. Those already pastoring churches have gained new material, educational correction, and support in their ministries. For some of these pastors, it looks like needed construction of already established churches. For others, it looks like support in starting a new church. In all these cases, we feel the Lord leading our steps towards building a foundation for the local church. We will continue to train nationals for the ministry through the Bible Institute, while also focusing on how we can help them succeed in their pastoral role, including a safe, sturdy place for worship.

AFRICA

CONGO

We are very encouraged with the ministry that is taking place in the Democratic Republic of the Congo. Pastor Santo Obeyo is a crucial impact-driver of the ministry that continues to expand there. Most recently, he has been working on a campaign in a certain city. Though civil unrest and uprising has been so apparent in this region, many people are hungry for the gospel. In a recent effort at a certain preaching point, 150 Congolese heard the gospel, 32 souls came to know the Lord, and 2 backsliders were restored. Amen! Another evangelism campaign is scheduled for March in the same location. Lord willing, this will be a field ripe unto harvest to plant a church later this year. We are praying for the needed land to acquire and for the people who will not only join the church, but will join the family of God!
